Sadhguru's Diwali greetings

On the occasion of Diwali, Sadhguru Jaggi Vasudev of the Isha foundation delivered his Diwali greetings to the public recently. He further added, “In the world around us, darkness is just absence of light. But in the inner dimension of the human being, darkness is the absence of clarity. Diwali is known as the festival of lights. It is also a celebration of clarity and entertainment. May this Diwali be not just a festival of lights, but also a celebration of taking a step towards enlightenment.”
