Rallying with the New-Age Guru

The fan following that Sadhguru has garnered through his yogic yet practical approach to life has been massive. It is perhaps because of his plain talk and the ability to speak the language of the common man. His pearls of wisdom are relatable—he is, no doubt, the modern age guru the world is looking up to. Here's a freewheeling chat with the guru of all gurus—Sadhguru...

Sadhguru, the founder of Isha Foundation, Coimbatore, is one of the power centers of India today. He is an undaunted human dynamo, who has built an empire of 'Yoga domain' with his relentless endeavours for the past 35 years.

Being recognised as a spiritual guru, with a mass following in India and abroad, Sadhguru fascinates the young and the old alike with his maverick ways and logical approach to mind and matter contrasted against spiritual abstractions.

His creative fashion statements in personal styling, his love for sports, music and dance and his rugged road travels are trending factors for the youth to latch on to.
