cational institution, the two explored a range of modern day issues and various aspects of life.

Actor Ranveer probed

Sadhguru on a range of subjects, including Fifa 2018 World Cup, living in the moment, ills of modern technologies and

secret of Sadhguru's endless energy. Sadhguru revealed his wish to empower the youth of India in the coming days and invited Ranveer to join the campaign which the Bollywood sensation promptly agreed to.

When asked about the future, Sadhguru quipped, "If you want to know the future then let me tell you. Your future is that we will be attending your funeral." "The problem with people is that if we reveal their future then they will not participate in what is happening today," Sadhguru added, amidst laughter from the audience.
