And then a dose of spirituality...

A lot of people in town did make it a point to attend Sadhguru Jaggi Vasudev's talks. Lata Reddy was spotted among the audience at a business school where the talk was organised apart from Sonal and Amar Ohri. Those who couldn't make it there, turned up for Sangeeta Reddy's breakfast do on Thursday morning. The breakfast followed a brief pravachan by the Sadhguru. After the talk, several guests approached him with questions and clarifications. At the breakfast table, many discussed his sense of humour and the food for thought that he dished out in abundance! Spotted Pinky Reddy, Savita Date Menon, Monica Mehra, Kamini Saraf, Manjula Reddy, Madhu Reddy, Murali Mohan, Vishnuvardhan Reddy and Sridhar Choudhary among others.
